

IBM Linux on System z Executive Advisory Customer Council

Friday June 6th , 2014 8:30 AM – 1:00 PM

Hosted at Insurance Services Office

545 Washington BLVD

Jersey City, NJ 07310

You're invited to join us for the next session of the Linux on System z Executive Advisory Council. We launched this council in 2002 in order to garner your insights and foster communications among the System z Linux community. We are grateful for ISO's gracious invitation to host this council session at their auditorium, particularly given our tremendous gains in attendance and popularity.

The council welcomes Steve Wehr to the session. Steve is IBM's System z Mobile Offering manager. He will be providing an IBM system z Mobility update. Next on the agenda the council is pleased to have Donald Scott from the New York Police Department. Don will be presenting details how Linux on System z has been used to mobile enable dispatch details to officers in field. The presentation will be followed by Bill Bitner from IBM. Bill will be providing a z/VM Systems Management Overview Concepts and Strategies. We are also pleased to have Michael Daubman and Erin Farr from IBM join us to discuss IBM WAVE. IBM Wave is a recent acquisition by IBM in the zVM administration space. Mike and Erin will be presenting current offering and strategy for future. Next up we have David Wilson from IBM System z World Wide Marketing and Branding. David will be providing an academic Initiative update.
