Agenda

- 10:30 am – Arrive early for security check-in and lunch selection
- 11:00 am – Opening Remarks
 - Ichi Brenden, Client Technical Specialist, IBM z Systems HW
 - Yisong Luo, Senior z Client Architect, IBM Systems
- 11:05 am – Blockchain and z Systems
 - Jennifer Foley, Integration Architect, IBM WW Client Center for Systems Innovation
- 12:30 pm – z Systems Technology Update
 - Thomas Shepherd, Executive IT Specialist - zChampion, IBM
- 1:00 pm – Continue lunch with open discussions among the user group

The purpose of this group is to garner your insights and foster the sharing of experiences on z Systems hardware and software. As valued customers and trusted partners, your input to this user group is greatly appreciated.

We had over 112 attendees at the last z user group event, so let's make this event even larger by sharing this invite with your colleagues.

Please RSVP to Chuck Siemons at csiemons@ccsmail.com for the lunch headcount
