z/VSE Live Virtual Class
Wednesday June 2, 2010
z/VSE and IPv6/VSE Update
Please join us for this complimentary webcast!

IBM

Broadcast date: Wednesday June 2, 2010 at 10:00 AM EDT

Title: **z/VSE and IPv6/VSE Update**

Speakers: Siegfried Langer - z/VSE & Linux on System z, IBM Boeblingen
Jeffrey Barnard - Barnard Software, Inc.

Abstract: If you were not able to attend WAVV or the German GSE conference in April 2010, this is your chance to get an update on z/VSE related developments and announcements during the last 12 months. We will highlight "IPv6/VSE" announced on April 6, 2010.

IBM announced IPv6/VSE ™ providing an IPv6 TCP/IP solution for z/VSE. This was the official IBM announcement: http://www.ibm.com/vrm/newsletter_10207_6648_153668_email_DYN_1IN/kadr8631448
Jeff Barnard will talk about the IPv6 implementation for z/VSE and its functional capabilities.
IPv6/VSE is a registered trademark of Barnard Software, Inc.

Date: June 2, 2010
Time: 10:00 am EDT / 9:00 am CDT / 3:00 PM London, 4:00 PM Boeblingen
URL: To pre-register for this event, please go the following link:
http://ibmstg.na3.acrobat.com/zvseipv6update0602e/event/registration.html

TimeZone: Use the World Clock to translate the time for this meeting to your local time!
http://www.timeanddate.com/worldclock/converter.html

Developed for: z/VSE Customers, IBM Business Partners, IBMers
Technical level: Basic to Intermediate
Duration: 75 minutes

**Attention: If you currently have an Adobe userid and password, please use it when you are registering for this webcast.
If this is your first Adobe event, you will create an Adobe userid and password. Please remember your userid and password
to attend upcoming Adobe events. You need to register for EACH event, but only need to create an ID and password once.**

Confirmation: After completing your registration for this webcast, you will receive an invitation that includes the specific
URL to attend the webcast. You will need to use your Adobe userid and password to access the live session.
This webcast will be using VOIP for the audio.

Test Adobe Connection: Please test your connection to ensure you are ready to attend this event by clicking on this URL:
https://admin.adobe.acrobat.com/common/help/en/support/meeting_test.htm

Adobe Connect Pro requires a web browser and the Adobe Flash® Player runtime software. As a participant, you can run
on Windows, Linux, or Mac. The test URL above includes the download of an "Adobe Connect Add-in" because it makes
the participant experience better; however it is only actually required if you are a Speaker/Presenter. The add-in will not load on Linux.

Replay: This session will be recorded and a replay link will be available by June 9, 2010 off the z/VSE Home Page at http://ibm.com/vse
or z/VM Events Page http://www.vm.ibm.com/education/lvc.
